

PRIMARY FRENCH INTERACTIVE WEBSITES

UPDATED SEPTEMBER 2018

BBC Language Lab

Animated cartoon characters make this site an interesting site for young children. Children can listen to the animated cartoons recite basic phrases, practice their numbers and letters in French, and then try their hand at writing a message in French!

Boukili

READ TO DEVELOP YOUR IMAGINATION: Illustrated books to transport children to an imaginary universe. Games and journeys to motivate your child to read and learn, all while developing their imagination.

READ TO DISCOVER: Illustrated books created to discover reading while having fun; Boukili's books allow children to discover at their own pace and constantly improve.

READ TO PROGRESS: A dashboard that allows parents to keep track of their children's reading progress; learning how to read becomes fun and simple.
